The Nano Beast isn't just a speaker—it's a masterpiece of sound and style. Forged with precision and passion, it combines sleek, minimalist design with raw acoustic power that demands to be heard.

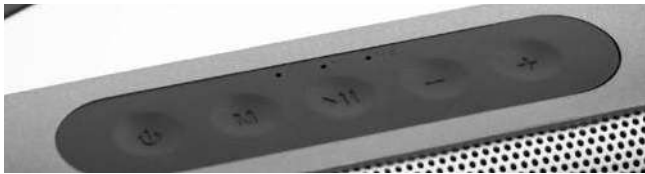

Powered by Ambient Harmonics Technology™, every note is rendered with crystal clarity, while DualForce Bass Driver Architecture delivers thunderous bass that defies its compact frame. Loud. Clear. Deep. The Nano Beast transforms any space into a sonic sanctuary.

Built to impress and built to perform, its elegant finish turns heads as much as its sound does. Whether you're setting the mood at home or powering through a workout, this is audio excellence without compromise—designed to move you, wherever you go.

This is sound reimagined. This is elegance unleashed.

Nano Beast – Unleash the Beast.

How to brand?

Your logo printed on epoxy doming or engraved on brushed metal plate

Made from 7 recycled 500 ml PET bottles

The Virtuo Apex Backpack redefines everyday luxury with its eco-conscious design and unmatched functionality, embodying the Virtuo Difference—a seamless fusion of innovation, premium craftsmanship, and sustainability. Designed for work or travel, the Apex is crafted from recycled 800D ballistic polyester, offering durability without compromising on style.

At its core, the Apex features a padded laptop compartment that securely holds up to a 16-inch laptop, ensuring your devices are protected wherever you go. With 7 thoughtfully designed zippered compartments, this ultra-versatile backpack caters to all your needs.

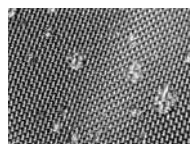

For added comfort, the Apex includes soft-touch back ventilation padding and an integrated trolley strap, making it ideal for long commutes or travel. Combining practicality, sustainability, and sophistication, the Virtuo Apex Backpack is your ultimate companion for work, travel, and beyond.

Size: 43 x 30 x 17 cm (17.7 x 12.6 x 5.9 inch)
